

Songs Of The Heart

Thank You for this new day
A-hey, a-heya
The turning Earth and
The rising sun
The rising sun

I find what makes my heart sing
Sing, sing
And I'm singing
The songs of my heart
My heart, my heart

I can hear your heart sing too –
And I love
Singing with you
With you, with you

All praises to the source of love
Of love, of love
An open heart bringing
Peace and joy
And joy, and joy.
